

The Embassy suggests that American citizens using ATM machines in Ukraine review a June 4 article from CNET reporting the discovery of malware on ATMs that allows criminals to steal account data and PINs. The article can be found at:http://news.cnet.com/8301-1009_3-10257277-83.html. The Embassy continues to recommend that American citizens exercise caution when using ATMs and use only machines located within reputable businesses or banks. ACS Public hour is Mon-Fri, 9:00 a.m.-1:00 p.m. except for American and Ukrainian holidays. If you have further questions, please do not hesitate to contact us at this e-mail address.
